

GASOLINE BLUES - John Mayall

[INTRO]

I'm stuck out here in the Hollywood hills
Count me five in dollar bills
Mister, serve me some gasoline
Hey boy don't you be (as seen)
Got no more gas today
But told you then clear away
It's the figuring tricks to get your (bay)
Collecting money for that man
Get the money for that man
Here to give the more you can
Get the money for that man

This is just to roller helps to hopes
Got that meant is playing jokes
Rain me man till the engine crowds
Qve your money ready folks
Running (sure a valley) say
In the (gear) of USA
Rushing in no more today
Collecting money for that man
Get the money for that man
Here to give the more you can
Get the money for that man

[HARMONICA SOLO]

Here we have seen in the car wash-line
(Here free car this) spring is mine
Glass is open, (wish fill bind)
Say number of (plans) of flying
Get off take what we can get
Craziest will be higher yet
Collecting from the national dept
Get the money for that man
Get the money for that man
Here to give the more you can
Get the money for that man
